## Class Focus

### Summary

The 2021 Adult and Pediatric First Aid/CPR/AED blended learning course equips students to recognize and care for a variety of first aid breathing and cardiac emergencies involving adults children and infants. It is designed for students who need a certification that satisfies OSHA workplace or other regulatory requirements. This class is taught in a blended learning format and the online portion (accessed via mobile desktop or tablet) must be completed prior to attending the Instructor-led skills session. Upon successful completion a valid 2 year digital certificate for Adult and Pediatric First Aid/CPR/AED is issued.
